AUTHENTIC LEADERSHIP

THE AUTHENTICITY COURSE

On Demand Course

HIGHLIGHTS

The Authenticity Course will empower your leaders to:

- Maximise their strengths
- Discover their unique motivators
- Be more engaged in their work
- Appreciate the strengths of others
- Authentically be themselves

SUMMARY

The Authenticity Course is a self-paced, on-demand video course designed to equip your people with the tools they need to unpack their unique strengths. The course is packed with self-paced exercises to drive reflection and personal application.

The Authenticity Course integrates with a variety of paid and free strengths-based assessment tools. You select the assessment tool which best suits your organisation.

The course is also designed to dovetail with any existing corporate strengths-based initiatives to help drive scale.

MIKE FISHER

THIS IS FOR

- Teams/Organisations who want to empower their leaders to enhance their strengths but do not wish to conduct a full **Authentic Leadership Programme**
- Organisations that want to drive an organisation-wide strengths initiative
